

## Development Gateway Results Data Initiative

### Consultation Meeting Agenda

22 September 2015

Time	Session
8:30 - 9:00	Breakfast
9:00 - 9:30	<p>Setting the Stage <i>Introductions, background, and discussing the issue of the day: is results data good enough - and is it used well enough - to increase the impact of development finance?</i></p> <ul style="list-style-type: none"><li>• Jean-Louis Sarbib, CEO, Development Gateway</li><li>• Gargee Ghosh, Director, Development Policy and Finance, Bill &amp; Melinda Gates Foundation</li></ul>
9:30 - 10:30	<p>Framing the Issue <i>Outlining the key questions about results data - as selected by participants - that we will focus on during the day's discussion.</i></p> <ul style="list-style-type: none"><li>• Susan Stout, Development Gateway</li><li>• Lambert Abusah, Ministry of Food and Agriculture, Government of Ghana</li><li>• Josiah Mwabeza, Planning Commission, Government of Tanzania</li></ul>
10:30 - 11:00	Break
11:00 - 12:30	<p>Breakout Sessions <i>Three facilitated discussion groups will dive deeper into the issues explored during the morning plenary. Specifically:</i></p> <ul style="list-style-type: none"><li>• Is results data quality good enough to make informed decisions?</li><li>• How can results data be shared more effectively? Is there a need for better data sharing?</li><li>• What are obstacles to results data use? How can these be addressed?</li></ul>
12:30 - 1:30	Lunch
1:30 - 2:15	<p>Discussion Summary</p> <ul style="list-style-type: none"><li>• Facilitator: Brian Baldwin, Development Gateway</li></ul>
2:15 - 3:00	<p>DG Proposal <i>The DG team will outline our plan to learn how results information can be more effectively collected, managed, shared, and used across agencies and implementers to inform better development outcomes.</i></p> <ul style="list-style-type: none"><li>• Dustin Homer, Development Gateway</li></ul>
3:00 - 3:30	Break
3:30 - 4:15	<p>Conclusion &amp; Looking Forward <i>The DG team will seek feedback from the group on our goals, methodology, and planned outputs. We will collectively outline next steps to move the conversation forward.</i></p>
